Australian Consumer Law gives a 10-business day cooling-off period for unsolicited agreements, such as door-to-door sales or unsolicited telemarketing.

BCTA does not use unsolicited marketing or sales. So, this cooling-off rule does not normally apply to enrolments with BCTA. The BCTA Fees and Refunds Policy applies instead.

1) Students who meet the Skills SA subsidised training eligibility criteria. These students are only required to pay the student fee (the Skills SA participant course fee), and the South Australian Government, through Skills SA, provides significant course subsidisation. The subsidy is paid to BCTA, not to the student. CPC30220 and RII30820 are subsidised only for apprentices under a training contract approved by the South Australian Skills Commission. SIT40721 is not subsidised in South Australia. No materials fees or other incidental fees apply to subsidised courses.

2) Students who do not meet the Skills SA eligibility requirements, and all SIT40721 students, are required to pay all course costs and material fees required for their chosen field of study.

3) Skills SA Payment Hrs are the hours Skills SA funds for the units in the BCTA training plan for the course. They are NOT the total hours to deliver the course. The student fee of $0.50 per payment hour applies to all units, including units assessed through RPL. The student fees shown are indicative only and are subject to change given individual circumstances at enrolment, such as credit transfer or changes to units. The student fee can be paid by the student, the employer or another person, but cannot be paid or waived by BCTA. Supported by Government of South Australia. This training is funded through the Government of South Australia. Participant Eligibility Criteria apply. Visit www.skills.sa.gov.au for Participant Eligibility Criteria.

4) Concession. The student fee of $0.50 per payment hour is the minimum fee set by Skills SA, so no concession applies. Students who hold a current Commonwealth concession card (Health Care Card, Pensioner Concession Card or Veterans' Affairs concession card) must still provide it at enrolment so BCTA can record it for Skills SA. Participants over the age of 16 who are, or have been, under the guardianship of the Chief Executive of the Department for Child Protection (or the equivalent in another state or territory) pay no student fee.
